[Forget your password?](#)

Now Log In to Typingweb using your new username and password.

Once you are logged in, you will see a tip. Continue to your main page. Note that there are ads at the top and sides—DO NOT CLICK ON THEM!! On the menu bar, select “Skins” and you can customize your typing page. Do not adjust anything on the “My Profile” page.

Click on “Main” and you will see the typing courses available. We will be doing the Beginner Course.
